Renewing National Accreditation

Public Notice of Application

The land trust accreditation program recognizes land conservation organizations that meet national quality standards for protecting important natural places and working lands forever. The Ashby Land Trust is pleased to announce it is applying for renewal of accreditation. A public comment period is now open.

The Land Trust Accreditation Commission, an independent program of the Land Trust Alliance, conducts an extensive review of each applicant's policies and programs. The Ashby Land Trust is proud to be one of the early all-volunteer land trusts to achieve national accreditation in 2014. Accreditation underscores our commitment to protecting and caring for special places in Ashby.

The Commission invites public input and accepts signed, written comments on pending applications. Comments must relate to how Ashby Land Trust, Inc. complies with national quality standards.
