

Annual Monitoring Report

Monitoring for the 2016 season started with the Morrison Property in July. The monitoring team included Sue Chapman, Rebecca Walsh, Doug Leab, and Bob Leary. It required two visits, as we had difficulty locating one of the four corner property pins. That pin had never been identified before, but with much persistence and measurements we found it. Hooray team! No more guessing on the western boundary. In November the two CRs for the South Road Fields were monitored by Doug Leab and Bob Leary, accompanied by Cathy Kristofferson and Roberta Flashman of the Conservation Commission. Although there were no violations, it was noted that the southeastern boundary has a problem with some invasive multi-flora rose and oriental bittersweet. In December, Doug Leab, Rebecca Walsh, and Bob Leary monitored Blood Hill (Wiita Conservation Land). The intrepid team completed the monitoring in one day. It was noted that an illegal trail has been made and some erosion has been caused by motorized vehicles, which violates the Conservation Restriction. We will post additional signage. The Arnold Property on New Ipswich Road will be monitored in early 2017.

Board & Members for 2016

Board Members

*Jeanie Lindquist,
President
Doug Leab, Treasurer
Rebecca Walsh,
Clerk
Janet Flinkstrom
Sue Chapman
Bob Leary
Mike McCallum
Cedwyn Morgan
Alan Ewald*

Lifetime Members

*Bill Arnold
Tom Mikes
Janet Morrison*
